

Acsion Partners with Lac du Bonnet Foundation

The Lac du Bonnet & District Charitable Foundation and Acsion Industries are pleased to announce a new corporate partnership program for Acsion's current and past employees and contractors. The "Thank-you Lac du Bonnet" program sees Acsion match the donations made to the foundation from their employees and contractors over the next five years, to a total of \$25,000. Acsion has also set-up a payroll deduction plan to make it easy for staff to donate.

"Lac du Bonnet has been a great home for many of Acsion's employees and contractors", said Chris Saunders, President of Acsion. "Many of our staff have lived and worked here for decades. This new partnership with the Lac du Bonnet Foundation allows us to say thank-you to the town in a significant, on-going way".

"The Foundation welcomes Acsion to our family of corporate partners", added Maurice Rutherford, Chairman of the foundation. Their generosity will help us raise as much as \$50,000 to support the great charities in our town. This is a wonderful gift for the foundation and we hope that their "Thank-you Lac du Bonnet" program can become a model for other local companies as we work together to grow the foundation".
