## Lac du Bonnet Foundation celebrates milestone, retirees

By Arlene Davidson

Members of the Lac du Bonnet and District Charitable Foundation recently gathered for dinner at the Lakeview Restaurant to celebrate reaching over half a million dollars in endowment funds, and to recognize and thank Rolly Simard, Mau Rutherford, Gus Wruck and John Barnard for their long standing service to the important community organization.

The four members retired from the board on June 30. "Rolly Simard was recognized for his service and contributions over the last eight years," said Laverne Wojciechowski. "Mau Rutherford, Gus Wruck and John Barnard, the last three of the founding members, were given Director Emeritus status for all their work in executive positions

since the inception of the foundation."

The Lac du Bonnet and District Charitable Foundation is celebrating their 10th anniversary in 2018 and since 2008, has accumulated over \$500,000 in its various endowment funds.

"The Lac du Bonnet and District Charitable Foundation works closely with other community groups and with governments to fund worthy projects within the community that make Lac du Bonnet a better place to live," said Wojciechowski.

### WHAT'S NEW?

For our early readers, we have *Silly Wonderful You* by Sherri Duskey Rinker. For the junior readers, Arnie the Doughnut is back in *The Spiny Icky Showdown* by Laurie

Keller. Junior readers may get a kick out of reading the comics that were available to their Grandparents "back in the day" with *The Best of Archie, Americana Golden Age 1940s-1950s*.

Realizing that his OCD (obsessive-compulsive disorder) is out of control, 17-year-old Chuck Taylor, who wants to win his best friend back and impress a new girl at school, tries to break some hardcore habits, face his demons – and get messy, in *Get Obsessed. Lexapros and Cons* by young adult author Aaron Karo.

After a tumultuous beginning to their relationship, Tessa and Hardin were on the path to making things work. Tessa knew Hardin could be cruel, but when a bombshell revelation is dropped about the origins of their relationship – and Hardin's mysterious past – Tessa is beside herself in *After We Collided* (No. 2 After) by Anna Todd.

Gabriel Allon, art restorer and occasional spy, searches for a stolen masterpiece by Caravaggio. Sometimes the best way to find a stolen masterpiece is to steal another one, in *The Heist* by Daniel Silva; and Gilly MacMillan gives us *Odd Child Out*, a domestic suspense about the secrets families tell one another in what appears to be a prank carried too far.

Non-fiction titles include: *A Taste of Haida Gwaii: Food Gathering and Feasting at the Edge of the World* by Susan Musgrave; *Murder, Interrupted*, a true-crime thriller by James Patterson; and Ronald Kessler gives us *The Trump White House: Changing the Rules of the Game*.
