Dear Foundation Board of Directors:

On behalf of HERO'S Alliance, I'd like to thank you for your ongoing support as well as the grant approval of 500.00 this past spring for the "Lunch Is On Us" program, to go towards storage cabinets. This program started in Feb 2021 serving 30 bowls of soup per week, and now over 2 years later provides around 200 soup/bun lunches each week to people in the Lac du Bonnet community. This volunteer run program is helping many residents who are food insecure, and the volunteers will now have more efficient use of space to help when they are giving of their time towards this program.

We are truly appreciative. Thank you.

Sincerely,
