

Community is the Heart of the Garden!

Thanks to the generosity of partners and volunteers like you,
the Community Garden blossomed this year with:

- 27 garden plots and more gardeners this year.
- Over 2000 lbs of produce grown by the Lac du Bonnet Food Bank.
- The establishment of the Butterfly and Pollinator Garden.
- The addition of four new raised beds and surfacing for safe transport.
- Increased access to irrigation.
- Educational workshops about butterflies and pollinators for over 60 people.
- Our Open House with over 70 people in attendance.
- The Manitoba Metis Federation gardens and their Corn and Potato Feast.
- The growth and sales of our pumpkins raising \$1400.00 for the garden.
- And...
- We are grateful for \$850.00 in private donations!
