

### *WINNIPEG RIVER BURSARY FUND*

#### *APPLICATION CRITERIA for Winnipeg River Bursary Fund*

The purpose of this bursary is to provide Financial Aid to a deserving student enrolled in continuing education where the field of study will have possible relevance or benefit to the Lac du Bonnet Region. Each year, bursaries of up to two thousand dollars (\$2000) will be provided to a deserving student based on relevance, need, and the availability of funds from the Lac du Bonnet & District Charitable Foundation.

Financial aid for Lac du Bonnet area students entering post-secondary studies should focus on a field of study which will provide education and training, which has need and relevance in Lac du Bonnet. A field of study might include any health profession, engineering (electrical), mining, agriculture, natural resources and conservation, administration and so forth.

Funding will be provided by the Winnipeg River Bursary Fund from funds reserved for this purpose and from the Lac du Bonnet & District Charitable Foundation. Bursaries are available to Lac du Bonnet area students accepted as a full time student at an institution of learning in his or her chosen field of advanced study.

Students are encouraged to seek other sources of financial aid and other scholarships and awards. This application should also list any other scholarships, awards, or bursaries applied for or already granted.

Please provide all information requested on the application. Answer the questions outlining your field of study and the relevance or benefit to the Lac du Bonnet area.

Your application must include two references, one of which must be from a teacher, counsellor, vice principal or principal of your present school.

For legibility, please use a computer to complete this form. Only sign in the space where your signature is required. Mail your completed application to the address below. Do not make changes or modify this application. Enter your information only in the required areas.

The application deadline is May 31<sup>st</sup> of each year for the next school year.
